A Tradition of Member Service

DEXSTA Federal Credit Union was originally chartered in 1937 by DuPont Experimental Station employees. Today, we serve more than 39,000 members from a variety of companies and organizations and our assets exceed \$450 million.

DEXSTA Federal Credit Union is a Full-Service not-for-profit financial institution, owned by our members and democratically operated. Unlike other types of financial institutions who operate for a profit, DEXSTA returns excess earnings back to our members in the form of low or no fee services, higher yields on savings and investments, and lower interest rates on loans. Your savings with the Credit Union are federally insured up to \$250,000 by the NCUA (National Credit Union Administration).
